CT5.12# - USE OF ROADS BY PURCHASER.

- Unless otherwise agreed, to prevent the introduction of the seeds of noxious weeds onto National Forest land, Purchaser shall ensure all equipment moved onto National Forest land is free of soil, seeds, vegetative matter, or other debris that could contain or hold seeds. Purchaser shall employ whatever cleaning methods necessary to ensure compliance with the terms of this provision, and shall notify Forest Service prior to moving each piece of equipment onto National Forest land, unless otherwise agreed. Notification will include identifying the location of the equipment's most recent operations. Upon request of Forest Service, arrangements will be made for Forest Service to inspect each piece of equipment prior to it being moved onto National Forest land.
- Purchaser shall certify in writing, compliance with the terms of this provision prior to each start-up of sale operations. For the purposes of this provision, "equipment" includes all logging machinery except for log trucks, chip vans, pickup trucks, cars, or other vehicles used to daily transport personnel.
- All debris and slash generated from purchaser's processing operations and left on any road listed in CT5.31# shall be removed and scattered outside of the travelled way.
